

Microsoft Edge is the default browser provided with Windows 10.

To ensure the best user experience, we recommend updating Microsoft Edge settings to the following.

Browser Recommended Setting

This ensures any services offered by Texans Credit Union work as expected:

1. Click 
2. Click **Settings**
3. Click **View Advanced Settings**
4. Select **Don't Block Cookies**, located under the Cookies section
5. Click  to exit the **Settings** menu
 - Put a check mark next to **Override Automatic Cookie Handling**
 - Select **Accept** for **First-Party Cookies** and **Third Party Cookies**
 - Put a check mark next to **Always Allow Session Cookies**
