**2** If a Texans Debit Card transaction occurs, an ACH transaction occurs, you write a check, you perform a transaction by any other electronic means, or you take other action that results in your Account becoming overdrawn, Texans may pay the item which exceeds the available balance in your Account up to \$750, including fees. If at any time the limit has been reached, new attempted debit card transactions will be declined. Additionally, check, ACH and pending or already-processed debit card transactions that exceed the limit will be returned unpaid and you will incur an Insufficient Funds Fee. Insufficient Funds Fee (NSF) (Returned) or Insufficient Funds Fee (UCF) (Returned) will be charged per occurrence (to include repeat presentments). Accounts are subject to closure if a negative balance remains after 10 business days. Whether or not the overdraft will be paid is discretionary and Texans reserves the right not to pay. For example, Texans typically does not pay overdrafts if your account is not in good standing, you are not making regular deposits, or if you have too many overdrafts. Your account may become eligible for Courtesy Pay after the account has been open for a minimum of 30 days.

**3** Per federal regulations, the maximum number of remote transactions that can be made each calendar month on Money Market and Share Accounts is six (6) per account. The limit of six (6) transactions includes withdrawals and/or transfers on a member's Share Account or Money Market Account made by check, draft, debit card, PC, Telephone Access Line, Online Banking, telephone or written instruction. Transactions made in person, by mail or at an ATM are not counted toward this limit.

**4** Credit Approval required for a Texans Line-of-Credit. A joint owner on your checking account, who is not a joint owner on your Share (savings), Money Market, and/or co-borrower on your Texans Line-of-Credit, will have access to your Share (savings), Money Market, and/or Texans Line-of-Credit. Other checking accounts excluded as overdraft option.

**5** Fees for wire transfers and drafts may change at any time. Visit a branch or call us at the number on your statement for current fees.

**6** The replacement of lost, stolen or destroyed Cashier's Checks prior to the expiration of 90 days from issuance may require the purchase of an indemnity bond.

**7** Reserved.

**8** Fee will be assessed against any Deposit account(s) held at Texans. This could impact your required minimum membership balance. You will be required to deposit additional funds to meet the minimum membership balance requirements.

The penalty on a 182 day Certificate will equal 60 days' interest on the amount withdrawn. The penalty on a Certificate with a term of 12 months or longer will equal 180 days' interest on the amount withdrawn. If you are over age 70 1/2, we will allow you to make premature full or partial IRA Certificate withdrawals (can be less than \$1,000) without penalty or service charge if the withdrawal is a required minimum distribution from the IRA to you.

**11** External transfers are limited to \$2,000 per day or \$5,000 per month per member. A transfer can take between 3-4 banking days to process.
